

## Is DirecTV losing any channels?

Posted by arianamartinus - 28 Nov 2019 05:00

---

Hello,

Viacom is warning AT&T's DirecTV subscribers that they may lose access to 23 channels if a dispute over fees isn't resolved before the contract expires. ... AT&T is the largest pay TV provider in the U.S., with 24.5 million subscribers.

Thanks.
